

# EUROPEAN STYLE SLIDING BAR BUCKLES

Ideal for "Quick-Release" Tension Straps

Now available from Bainbridge International, a new style of strap tensioning buckle. These top quality buckles are manufactured from stainless steel and are TIG welded for extra strength. We offer the choice of either stainless or black nylon adjustment bars. Both styles are knurled for extra grip

These products will suit many applications including lifejackets and boat canopy straps, where a quick release tension strap is required.

Four styles are currently available:

- G221 1" Stainless with Black nylon bar
- G222 2" Stainless with Black Nylon Bar
- G221S 1" All Stainless Steel
- G222S 2" All Stainless Steel
