

HEAVY DUTY CANOPY TRACK MOUNT SYSTEM

The all-new Heavy Duty Canopy Track System is now available from Bainbridge International, and offers a top quality way to solve the problem of improving cockpit space by having the ability to add fore & aft movement to either a canopy or enclosure.

This unique system is easily fitted and adds extra functionality to most modern styles of canopy or enclosure!

- Market Leading Track & Car System
- Stainless steel fittings pre-assembled to the track car
- Extruded Aluminum track & car
- Car secured by spring loaded stops
- Slide units sold in pairs
