SOLACRYL

BAINBRIDGE
INTERNATIONAL

SOLACRYL™

High Quality Uncoated, Coated and Vinyl Coated Acrylic

Solacryl is available in three different styles, please ask your covermaker to select the fabric which best suits your needs.

- **Solacryl Uncoated** combines excellent water repellence with good breathability.
- **Solacryl Coated**, the most popular style features a highly water resistant resin based coating.
- **Solacryl Vinyl Coated** has a heavy totally water-proof coating. (*limited colour range)

Benefits

- Woven construction provides a traditional, quality appearance.
- Solution dyed for rich non-fade colours.
- Acrylic yarns give excellent UV stability.
- Weather resistant to extreme temperature.
- Fungi, bacteria and insect resistant. Rot proof.
- Oil and grease resistant. Easy to clean.

Caring for your Solacryl cover.

- Clean regularly to prevent dirt becoming embedded in the fabric.
- Loose dirt can be simply brushed off.
- For more intensive cleaning hose down the cover and clean with warm natural soap solution. Rinse thoroughly.
- Covers should be clean and dry before winter storage.

CAUTION!

- Do not use detergents or chlorine solutions as these can damage the water repellent coatings.
- Do not iron, tumble dry or subject fabric to extreme heat.

Technical Innovation and Service - The Fabric of Our Business

With a full range of sailcloth, sailmakers hardware and a global sales and support network, Bainbridge is uniquely qualified and committed to supplying the world with the finest quality materials. Founded in 1917, Bainbridge International is one of the longest established sailcloth manufacturers in the world with almost a century's experience in developing and supplying the highest quality, highest performance materials to the marine industry.

Bainbridge has always been at the forefront of technical developments within the world of sailcloth. Through the skills of the technical team, we have developed a number of products including AIRX Performance Spinnaker Fabrics, MP Multi-Purpose Spinnaker Fabrics, DIAX Laminated Sailcloth and SAILMAN Full Batten Systems. These have been used by many high profile campaigns including America's Cup, Vendee Globe, Volvo 60 and BT Global Challenge.

Leaflets in the Range

There are 7 other leaflets in the range that offer advice on our other sailcloth ranges and our SAILMAN Full Batten Systems. These are available from your Sailmaker.

www.sailcloth.com - 5 simple steps to better sails

We have developed an easy to use website that offers advice and recommendations about the correct sailcloth for your needs. With 5 simple steps to follow, you can develop an understanding for the benefits of the sailcloth styles we offer and comprehend which one meets your needs.

Partnership

Your Sailmaker is the essential link between our fabric technology and your boat. They offer Bainbridge fabrics because of the inherent trust that the excellence of their workmanship, combined with the quality of our products, will provide you, the Customer, with the best possible value and performance.
